Digile?

Last year: Expandability of LMS

- According to a global standard of IMS / LTI
- 138 Edu apps can be included with a single click
- Major area for Edu Apps Games for the Finnish Ecosystem

This year: Exportability of MooC

- New standard is forming, we take the lead
- Beyond SCORM and TIN CAN
- 10 million courses is our research target
- A key IPR area for Finland (vertically or horizontally)
